

1. Statement of Participation:

1. I have read the STUDENT INFORMATION SHEET explaining this study. This survey is asking you as a Community College Student to respond to some statements and give your opinion as to what you believe about the statements. Your instructors (professors) have been given the same questions and this is an opportunity for you to respond openly. You will in NO WAY be identified and your responses are 100% secure and confidential. Neither your instructors nor your college will know which student gave what answer.

Please click NEXT and you will be directed to the Community College Student Survey.
