Please be sure to arrive on time and bring work gloves. If you have a pair of small hand snips, bring those. We are finding these especially useful.

We will furnish:

Pine straw for distribution (already at the school now)

Some power tools (hedge clippers, weed eater, blower, rakes, shovel) (Will be delivered by Harold Boone on Thursday)

Plastic trash bags for collection of clippings and litter

Mike Ranieri, if you would be so kind as to return the tools in your truck to the SBRC when we finish on Saturday morning.

In case of emergency, my cellphone number is 334-315-3409.

I look forward to seeing you all there.

Good Morning!

President Munnerlyn asked me to e-mail the attached and encourage anyone interested in submitting a proposal to do so. He indicated that he would like to have at least three presenters from Trenholm to participate. I know Dr. Scott & Dr. Raza plan to present. Anyone else?

Thank you,

Angela

DATE: July 21, 2014
TO: Presidents, Alabama Community College System
FROM: Mark Heinrich, Chancellor *MAH*
RE: Request for Proposals for Alabama Community College Association Conference

The Alabama Community College Association has been working very hard over the past several months in preparation for our 2014 ACCA Conference to be held November 23-25 at the Birmingham-Jefferson Convention Complex. I am asking for support from all of our colleges, divisions, and entities within the Alabama Community College System. Please consider submitting a proposal, or allowing your employees to submit a proposal, to make a presentation at the annual professional development conference. It is a great way to share information with our colleagues throughout the System.

The following professional development learning tracks should be considered:

- Teaching and Learning
- Student Support and Success
- Leadership Development
- Staff Development
- Workforce Development
- STEM Initiatives

Within these six learning tracks, the following are some suggested topics:

- Transformative and Innovative Teaching/Learning Strategies
- Student Success, Retention and Completion
- Student Engagement
- Mental Health and Awareness
- Safety and Campus Security
- Academic and Technical Partnerships and Collaborations

In order to give you a little more time, the ACCA Executive Committee has extended the **deadline for submissions to August 15 to allow additional time for your proposal submission. To submit a proposal, please use the online submission form available on the ACCA website (www.alabamacca.org/accaproposals).
