Dear Spring Fling Volunteer Extraordinaire~

Thank you SO VERY MUCH for the very important part you played in Saturday's Spring Fling event. It could not have been possible without you and I want you to know how much I have been thanking Jesus for each of you! It takes so many people to make events like this possible and so I thank each of you from the depths of my heart for allowing Him to use you. From all the hours organizing and setting up, to running the games, to assisting with the Resurrection Eggs (I loved hearing you all tell the story over and over again), to selling refreshments, to being a smiling face of welcome as they came in and all the way to tear down and store it all away for next time.....thank you, thank you, thank YOU! Jesus was seen and He was glorified thru all the fun of telling His story!

I loved meeting many of you and even seeing couples work alongside each other - some of whom don't even have young children but wanted to serve Him - you are awesome! For even my new friend Matt Robbins hiding under the Connection desk clipping candy on the fishing game where he wasn't even seen yet had such an important role to play, thank you! Mary Causey, Ellen Bartlett, Wendy Leigh and so many others were our heroes that day and we applaud each of you for being the awesome folks that you all are!

I wish I could tell you of the many stories of folks that came thru and said how much fun it was and how well organized it all was and how they loved the friendliness of our people. There are too many to count! I hope you had fun and will join us again in the future for other fun events where we reach out to our Frazer Family and to our Community! Bless you all for being such a blessing to us!

Because Jesus Loves Children~
