**I am not a devoted Democrat or Republican; rather, I am an Independent, Moderate Christian Conservative. No party tells me what to do as so many are blind to what is right and good for the nation; rather, they follow the party just as the blind follow the blind. Our nation was built on the premise that God should lead us and Bless our nation. In the present times in which we live, so many in our country have simply turned their back on God, turned their faces to the Government as savior, and our leaders (misnomer) have taken us down a path that is contrary to the Word of God. Do we think we can continually and perpetually raise our fist at the God who made all things? How long will He tolerate this disobedience? Time is running out and the best we can do is call each other names and legislate as if to shun the God of Heaven. I fear for our nation and I pray that God WILL have Mercy on us... Ken Scott.**
