Dear Dr. **Ken Scott**,

You are invited to submit your paper(s) entitled **“E-Portfolios: Methodology to Validate/Promote Critical Workforce STEM Skills”** which you have presented in **The 2012 STEM tech conference for US-China Education Review A & US-China Education Review B**. The journals of **US-China Education Review A & US-China Education Review B**, two award-winning peer-reviewed, multidisciplinary periodicals published by David Publishing Company, Monte, CA 91731, USA, welcome the submission of original manuscripts reporting innovations or investigations in the education area. Successful general submission manuscripts may report interdisciplinary efforts or be of a sufficiently broad nature to be of interest to those centered in related disciplines. Manuscripts reporting innovations or collaborations leading to enhancements in education are of particular interest to **US-China Education Review A & US-China Education Review B**. If you have the idea of making our journals as vehicles for your research interests, please send your WORD format manuscripts (papers or books) through e-mails/submission system (for more details refer journal Web page). We appreciate your support.

We also seek researchers who have deep research in and outstanding contribution to education area to be our reviewers/editors. Good review board has insightful understanding in education field, and can provide professional suggestions to authors. Anyone who is interested in our journals can send us CV. We are looking forward to your contribution!

Sincerely yours,  
 Sunny, H.
