Dear Faculty and Staff,

I hope you are having a wonderful weekend! While you are out and about and thinking things over, the idea of retention strategies and your classes may come to your mind. If so, I wanted you to have some material to support your thoughts.

In this week's email, you will notice the theme of [retention and the role of the instructor](#). Also, there is professional development material related to writing a welcome letter for your course as well as writing strategies for specific disciplines. Many links and descriptions are provided, so find what you are most interested in and click it.

- Please remember, Friday, July 11, will be our **Faculty Meeting**. Dr. Ken Scott will be the presenter. He will speak about the creation of rubrics in Blackboard and using E-portfolios. I know this will be a great workshop. It will begin at 9:00am.
- **New Faculty Orientation** = Thursday, July 10 @ 6:00pm. However, the session is open to all faculty. Please email to let me know if you will be in attendance Leetaylor@amridgeuniversity.edu
- **Ministry U** attendees will be on campus all of this week. I know you will make them feel welcome!

Enjoy!
