Subject: Invitation to STEMtech presenters

Categories: Red Category

Greetings, and thank you once again for presenting at the 2012 *STEMtech* Conference in Kansas City! Your willingness to share your experiences and your institution's programs and practices helped make *STEMtech* a meaningful event for participants. As editor of League publications, I invite you to submit a manuscript to the League based on your presentation. The League publishes an issue of *Leadership Abstracts*, *Learning Abstracts*, and *Innovation Showcase* each month; click on a title to access that publication's author guidelines. To submit a manuscript, email it as a Word document to me at wilson@league.org.

If you have any questions or would like additional information, please contact me at wilson@league.org or 480-705-8200, ext. 238.

Again, thank you for presenting at *STEMtech*!

Kind regards,
Cynthia
